Please note: we use high quality wood products, with that in mind it is important to realize that wood is a natural product and it is not without flaws. Wood can and will have inconsistencies such as cracks, shrinkage and warping. Such are not defects. Material colors will also change over time due to natural aging, such can be somewhat controlled by limiting UV exposure and humidity. By accepting this proposal you agree to these conditions.

All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Any alteration or deviation from above specifications involving extra costs will be executed only upon written orders and will become an extra charge over and above estimated cost. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, windstorm and other necessary insurance. Our workers are
